

Application for Minnesota Homeschooling Parents

Parent/Guardian Name: _____

Drivers License Number: _____

Student Name: _____

Student's Date of Birth: _____

DriversEd.com Username: _____

Dear parent or legal guardian,

In Minnesota, parents of homeschooled students are permitted to teach the classroom portion of drivers education.

Students who attend an online school or a charter school, or students who are homebound, do not meet the definition of home school students. They are *not* eligible to complete the classroom portion at home.

To apply for DriversEd.com's Minnesota Drivers Education Book Course, the Minnesota Department of Public Safety requires that you:

1. Check the following box to certify that:
 Your child is a fulltime homeschooled student.
2. Check the following box to certify that:
 You have a valid drivers license.

Parent/Guardian Signature: _____

Date of Signature: _____

Please mail, email, or fax this form to the address below. Once we have received this form and your payment, we'll mail out your course materials, so you can get started on drivers education as soon as possible.
